CHRONOLOGICAL BIBLE READING PLAN

Welcome to the adventure of reading through the Bible in a year!

The Chronological Bible Reading Plan is specially designed to help you understand the flow of the 66 books of the Bible.

Helpful features include:

Chronological Sequence. You will follow the events and writings of the Bible in the order that they originally occurred. Doing so will help you to understand things that may have been lost to you previously through the normal format of the Bible. Your understanding of God and His dealings with man will grow as you start at the very beginning of His revelation and plan, all the way through to the fulfilment of Christ's return.

A Full Year of Bible Readings: *The Chronological Bible Reading Plan* provides you with a full year of Bible readings. Each day is divided into reasonably sized chunks that should not take more than half an hour a day to read. But I urge you to not leave it there, but to ask questions of the text and look for ways that it can be applied to your life.

Minimal Flipping: We have done our best to limit the amount of flipping through the Bible to read the day's text, and have grouped as much together as is possible. Most days readings are from only one passage or book, but never more than from three books in a sitting.

Reprint: Permission is granted to reprint unlimited copies of *The Chronological Bible Reading Plan* for non-commercial use.
